

## DO YOUR PHYSICIANS fall into the “*Comfort Zone*”?

Get out of the *Comfort Zone* and...

- **Reduce your chances of being Audited** by the Government
- **Make more money** for your practice

### Comfort Zone (Flagged for Audit by the Government)

Safe Zone

Over a three month period at an average of 80 patients per day, a \$5 per patient increase will acquire additional revenue of ...**\$24,000!!!**

*This breaks down to... \$8,000 per month...\$400 per day*

An annual audit of your medical records by an outside company is recommended by the OIG – use a company with a solid reputation for getting it right the first time so your physicians can learn how to keep it **RIGHT!**
